## Registration

On arrival please report to the Registration tent where you will be able to collect your race number, which should be attached to your top with safety pins. Please bring safety pins with you if you can.

## Fun Run Child Safety

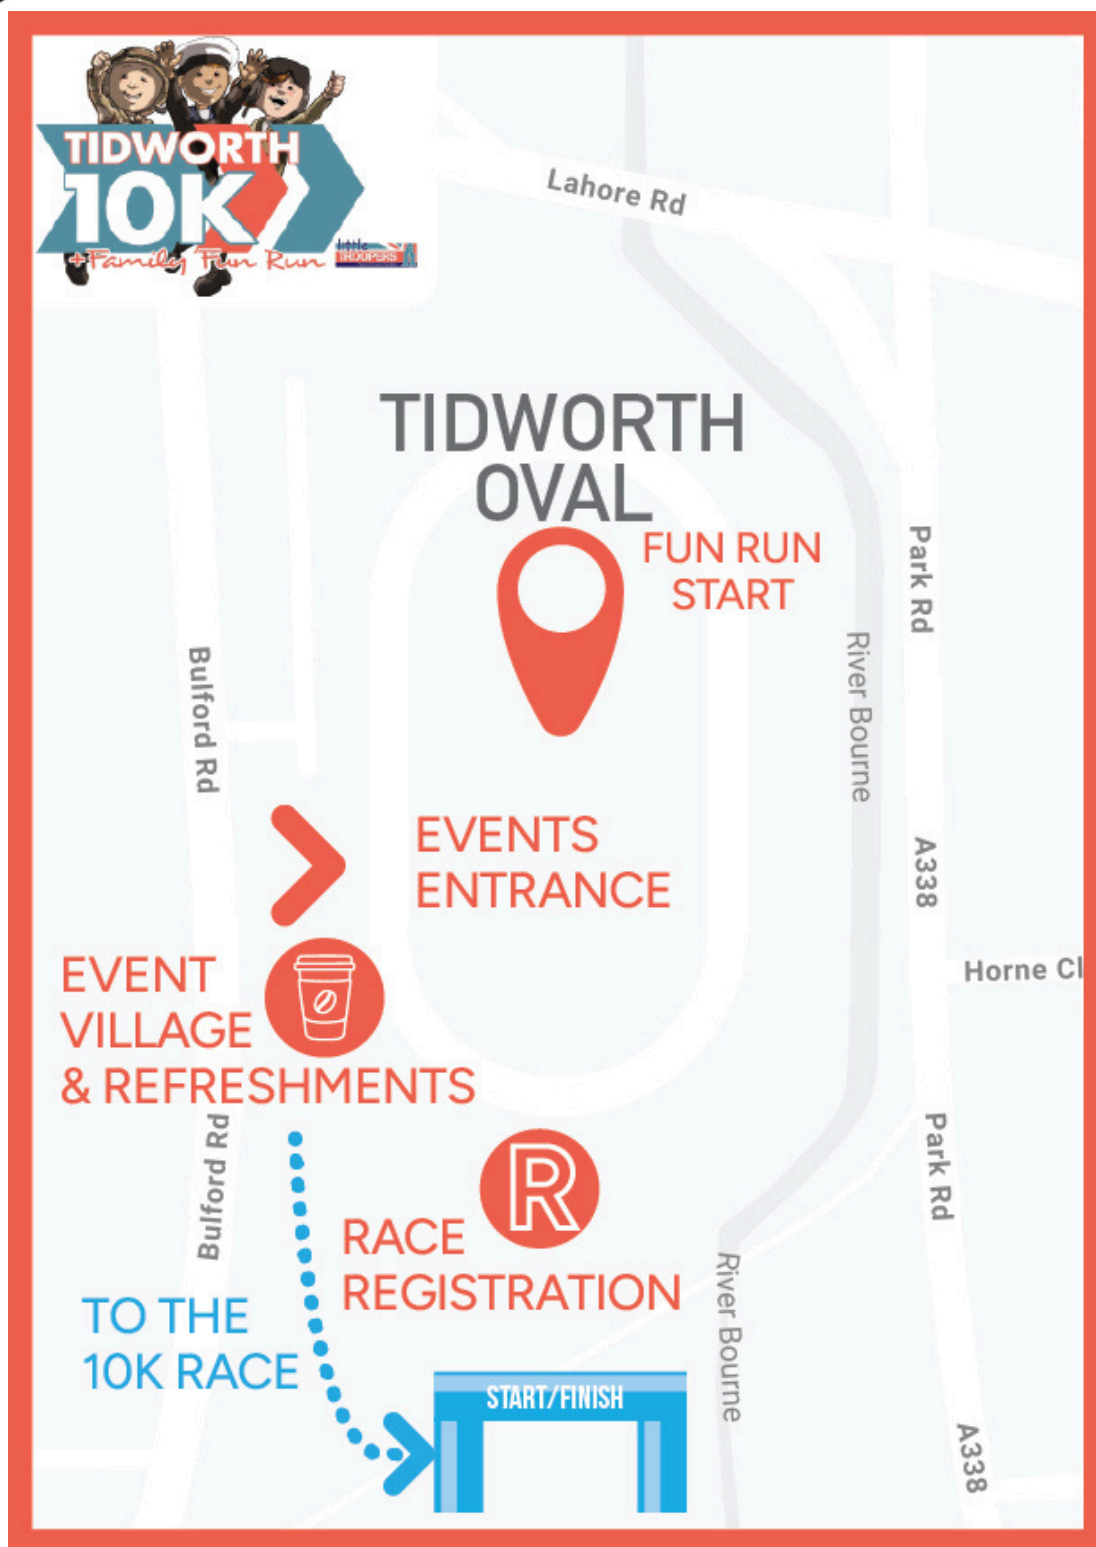

For the enjoyment of your children, we will be ensuring the following safety measures:

- All runners will be wearing a visible race number. Adults will be given a wrist band with the corresponding number to your child's race number. Should you become separated from your child at any point, we will use this wrist band to help confirm your identity.
