Welcome

Welcome to the Beacons Ultra, Beacons Trail Marathon and Beacons Half Marathon! We're incredibly excited to bring these races to you for the 17th year running.

We're so grateful to all of you for signing up to be a part this sell out event. Your participation makes this event possible, and we can't wait to see you tackle the challenge ahead!

The route takes you through some of the most stunning and varied landscapes the Bannau Brycheiniog has to offer. You will experience everything from rolling hills to rugged mountain paths, with breathtaking views around every corner. Expect to be treated to panoramic vistas, beautiful woodlands, and open moorland, with plenty of elevation changes to keep things interesting.

Your Athlete Guide contains everything you need to know to ensure you have a smooth and enjoyable experience, including links to course maps and .gpx files, checkpoint information, and important safety tips. We strongly recommend giving it a read before race day to familiarise yourself with the route, race rules, and any logistical details to help make your day as successful as possible.

Keep an eye on our socials in the next couple of weeks for an exciting competition where you could win back your entry fee and get free entry for next year's event. Follow us @andalievents on Facebook and Instagram for more details.

Best of luck, and see you at the start line!

WashPod

Keeping People Happy at Home and Sponsors of Andar Events

Our unique range of WashPod temporary, disabled wetrooms have been creating a stir lately as they can be installed in just a day, last years and can be rented or bought.

Life can turn on a sixpence and when access to normal washing facilities are no longer possible, our WashPod range of models can fit most spaces and disabilities to keep your loved ones at home or get them home from hospital.

WashPods are plug 'n play and only need connecting to services, so you can help overcome the horrors, headaches and delays of adapting properties or a slow discharge from hospital from there being no suitable washing facilities. Our lead times are only a couple of weeks — rather than a year.
